GladtoCare Week 2022

Week of Fun

We kicked off #GladtoCare Week with Motivational Monday and worked our way through to Feel Good Friday.

On Feel Good Friday, we had our staff dress up as their favourite superhero which we all got totally onboard with.

Our 'Best Dress' award went to our Nurse, Amy Truett, who dressed up as Florence Nightingale. Our Employee of the Month award went to our Chef, Danny Bett.

Congratulations!

Summer Weather

As the weather has been lovely, we decided to have a BBQ in the garden. This was thoroughly enjoyed by the residents.

Litter Picking

Positive Impact

Before the current heatwave, a few of our residents went around Delius Road to pick up litter. It was good to see that we didn't have as much litter to pick up this time around.

We believe it's very important for residents to get involved with the local community as much as possible, by volunteering in activities that allows them to give back and feel a sense of responsibility and achievement. It also provides residents with the opportunity to get familiar with the local area and have the confidence to venture out into Biggleswade.

Well Done!

Retail Therapy

Some of our staff took our residents out for a trip in M&S in Biggleswade to do some shopping.

As you can imagine, we could not pass the café without popping in for some tea and cake! We all thoroughly enjoyed the day, especially the part that included cake.
